

120Watt Anti Glare High Bay Light

Description & Features

- Housing: industrial PVC+PC material, aluminum of efficient heat conduction inside
- Separate LED Chips and Driver, safe and convenient
- 60° rotate angle with wheel gear style, safe, concise and firm
- Convenient mounting and dismounting
- High efficient Lumen output: 110lm per watt
- Various Silicone Rubber Sealing set inside with IP54
- 0-10V, DALI dimming is available
- Optional Sensor: radio detector and sensor light
- Installation: Suspending and Ceiling
- Connection between lamps is available
- Two dimensions plus four types of power to fulfill requirements in various lighting condition

Certificate

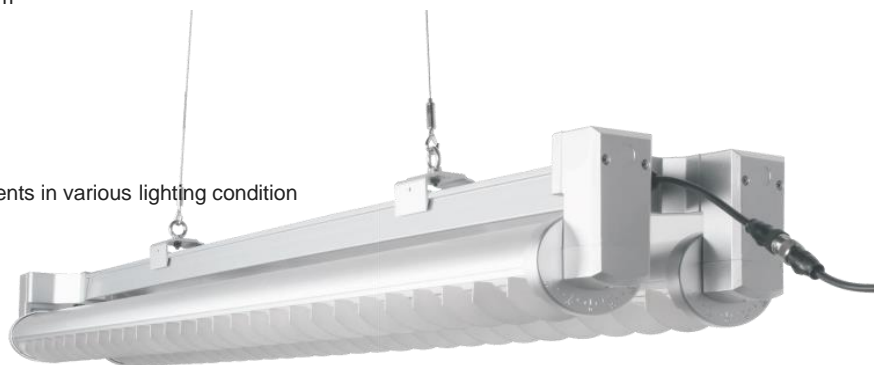

- CE, RoHS

Warranty

- 5 Years warranty
